CAPABILITY STATEMENT

BRYAN INDUSTRIES

Bob Bryan together with his son Damien started Bryan Fabrications in Mirani in 1996. During this time they gained extensive knowledge and experience in all facets of fabrication for a variety of industries around Mackay and the Bowen Basin region. Bryan Industries was then formed in 2005 when Bob retired and Damien became sole owner and director of the business.

Bryan Industries offer a workforce with over 50 years of combined engineering and mechanical experience, gained from working in the manufacturing, mining, food processing, water management and construction industries. Our team of over 50 employees through our field and workshop operations demonstrate a commitment to safety leadership, development and quality of work ensuring complete customer satisfaction.

Safety Leadership & Accountability

THE TEAM

Since 2005 Bryan Industries have gained experienced management in Clinton Venz as the General Manager, Matt Attard Workshop Manager and Albert Ramsamy Field Operations Manager to provide innovative thinking and support solutions to our key clients within the resource, energy, ports, food and infrastructure industries. Their expertise in manufacturing, mining maintenance, machining and component overhauls enabled the company to grow and expand it's capabilities and supporting networks offering design, engineering and certification to project execution and maintenance services through a dedicated team of professional tradesman and staff.

Our business has an excellent reputation and pride ourselves on producing high quality outcomes for our customers.

To do what it takes to meet the demands of our clients and support the communities in which we operate.

OUR SERVICES

WORKSHOP FABRICATION

- Structural Fabrication & Installation
- Heavy Fabrication & Repairs
- Sheet Metal Processing
- Overhauls & Rebuilds – Trays, Blades & Buckets
- Machining & Line Boring
- Blast & Paint Services
- Mirani Yard Workshop & Storage

FIELD SERVICES & REPAIRS

- Field Service Days
- Planned Shutdown Support
- Overhauls & Rebuilds
- Structural Remediation
- Permanent Maintenance Support
- Waste Water Management Services

TRANSPORT FRAMES & PRESERVATION

- Australian Made & Owned Company
- Certified Steel Pallets & Hold Down Systems
- Certified Travel Frames & Transport Solutions
- Critical Spare Preservation & Storage Solutions
- Custom Designed & Manufactured Products

LABOUR & EQUIPMENT HIRE

- Workshop & Field Labour Support – All Trades
- Project Management
- Supervisors (S1, S2, S3)
- AT15t Franna Crane
- 6t Tilt Tray
- Diesel Tanks
- Welding Trailers & Equipment
- Mine Spec 4x4 Vehicles

ENGINEERING DESIGN & CERTIFICATION

- 3D Scanning & Modelling
- Concept Design & Certification
- FEA Stress Analysis & Development
- Drafting & Detailed Drawing Services
- Reverse Engineering

UNDERGROUND SERVICES & REPAIRS

- Workshop Structural Rebuilds – AFC Pan Line & BSL Components
- Roof Support Remediation
- Machining & Line Boring
- Hard Stand Storage Solutions

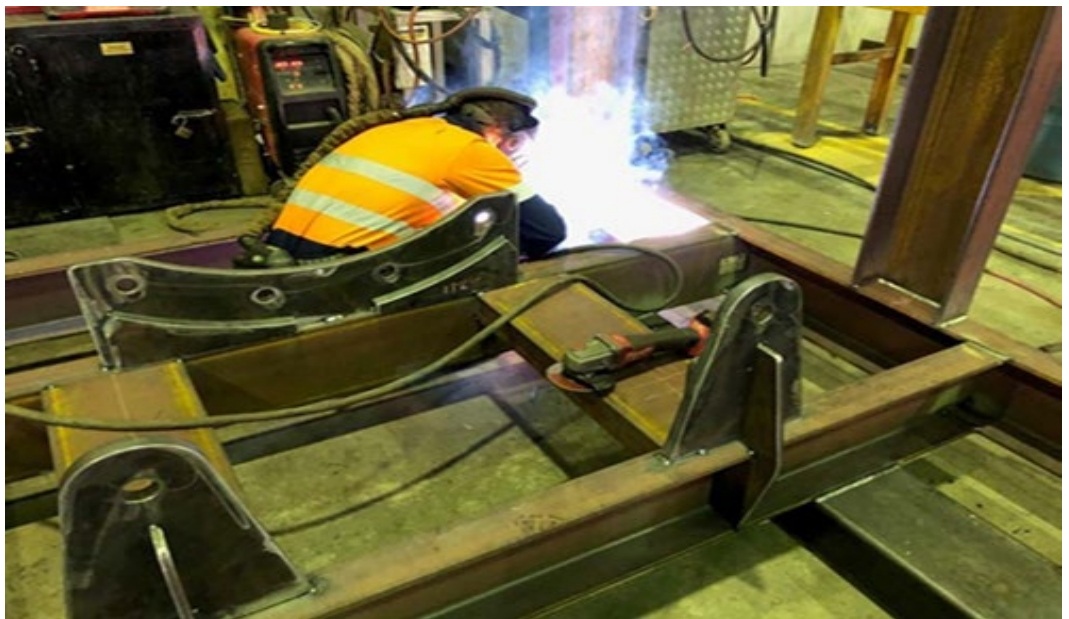

WORKSHOP FABRICATION

The Bryan Industries workshop operations located in Mackay and Mirani are positioned to respond and service our clients across the mining and resource sectors within Queensland. Bryan Industries is a new market leader and has established itself as one of the premier manufacturing companies in Mackay. With a combined workshop floor space of 4,000m² and 5 acres of hard stand storage space, we have the capability and confidence to execute large scale projects. Coupled with our accurate and reliable manufacturing processes, Bryan Industries guarantees a level of safety, precision, and quality without compromise.

Our inverter and automatic welder technology combined with our experienced and qualified employees ensure we maintain our compliance with Australian Standards and ISO9001 accreditation through safety, leadership and accountability.

Big Enough To Deliver,

Small Enough To Care

HEAVY FABRICATION

Bryan Industries is renowned for producing high quality outcomes in heavy fabrication processes through a multitude of manufacturing applications and integrated systems. Our content experts and technical support team continually focus on the clients expectations to maintain a level of quality, safety performance and value through partnered relationships to ensure customer satisfaction.

Our dedicated team and trusted suppliers provide confidence in an engaging approach to complete each project from start to finish.

Quality Without Compromise

TRANSPORT FRAMES & STEEL PALLETS

Bryan Industries is now a market leader in the design, manufacture and distribution of Australian Made & Owned certified transport frames and steel pallets. Our engineering team design the transport frames, steel pallets and hold down bolting systems in house turning ideas into reality. Bryan Industries are committed to providing safer transport and storage alternatives for our customers.

PRESERVATION

Bryan Industries have a highly skilled and experienced team that can carry out all preservation functions for critical spare components through our dedicated facility. Our preservation process and the use of Intercept technology products can provide long life storage alternatives for all gearing, shafts, electric motors, pumps, cylinders and pulleys.

FIELD SERVICES & REPAIRS

Bryan Industries provides total asset management services to execute field maintenance days, planned shutdowns, component rebuilds, structural remediation packages and permanent maintenance engagements with a proven record in safety leadership and quality. Our continued commitment to service and support enhances the availability and performance of our client's assets. Our employees are experienced, qualified and client focused.

LABOUR & EQUIPMENT HIRE

Bryan Industries can offer labour and equipment hire support services through a localised workforce and established suppliers within our region. Our skilled labour and compliant hire equipment are flexible and effective for both ad hoc and long term engagement opportunities in manufacturing, mining, food processing, water management and construction. We pride ourselves on being a registered labour hire provider producing a streamlined approach and high quality outcomes for our customers. Our recruitment team are experienced and adept in the selection processes to identify the best recruits to fulfill your role and align to our core values and behaviours as a business.

MIRANI YARD

Bryan Industries have a dedicated and experienced team with the capacity to execute all your tray, blade and bucket refurbishment needs at our Mirani operations. The Mirani yard is set on 5 acres of hard stand and includes a large workshop with an overhead crane, blast, paint and storage facility with specialised working at heights equipment to complete all scopes of work safely.

COMMUNITY & SPONSORSHIP

Bryan Industries firmly believes in supporting the local community and helping those in need. Bryan Industries have proudly participated in the Childhood Cancer Support Raft Race which raises much needed funds for childhood cancer. Our staff and employees interact as much as possible within the community and have sponsored and volunteered to countless local events including West's Rugby League, Pioneer Valley Rotary, Pioneer Valley Variety Bash, BMA Mackay Marina Run, Marian State School Spring Fair Fire Works, and PCYC Youth Development Programs just to name a few.
